Subject: Approval of Amended Notice of Intention to Commence Small Mining Operations, Martinique Mining Corporation, May Day Mill-Crescent Creek, S/017/0043, Garfield County, Utah

Dear Mr. Vaughan:

The Division of Oil, Gas and Mining finds your amended Notice of Intention to Commence Small Mining Operations (NOI) complete for the May Day Mill-Crescent Creek operation. You are now permitted to conduct small mining activities as outlined in the amended NOI, provided you have approval from all other appropriate agencies. The approval or acceptance of a complete NOI does not relieve an operator from his responsibility to comply with the applicable statutes, rules, regulations, and ordinances of all local, state and federal agencies with jurisdiction over any aspect of the operator's mining operations. Enclosed please find a copy of the approved amendment to your NOI.

The current reclamation surety for the project is for \$30,388.00. The minimum amount required is \$29,245.00, so no additional surety is needed. The surety amount is based on the following:

Bond Calculations (Five year escalation)

1. \$8,000.00 for the first acre
2. \$10,200.00 for two additional acres at \$5,100.00 per acre
3. \$6,800.00 for eight equipment transports
4. \$400.00 mobile office and RV transports
5. \$2,250.00 tails pond removal and regrading
6. \$270.00 for seed
7. \$1,125.00 tractor rake and seed project
8. Total \$29,245.00
